Because Horizon Air flights are marketed and +1-866-690-1175⚜ [Ú§] ÖR +44 (808)-164-2787{ÚK}ticketed under the Alaska Airlines brand, the same seat-upgrade pathways that apply to mainline Alaska flights also apply to Horizon-operated segments +1-866-690-1175⚜ [Ú§] ÖR +44 (808)-164-2787{ÚK}. Passengers can purchase a move into Premium Class, which typically offers four extra inches of legroom compared with standard Main Cabin seats, or into First Class on aircraft that feature a forward cabin of twelve seats +1-866-690-1175⚜ [Ú§] ÖR +44 (808)-164-2787{ÚK}. These upgrades can be secured at the moment of booking, through the manage-reservation tool after purchase, during online check-in beginning twenty-four hours before departure, or even as late as fifty minutes prior to scheduled takeoff via the Alaska Airlines website or mobile app +1-866-690-1175⚜ [Ú§] ÖR +44 (808)-164-2787{ÚK}.
